

HP 2063

HARTPAPERI FEINST / PF CP 204

Physical properties	Test method	Value	Unit
Density	DIN EN ISO 1183-1	1.3 - 1.4	g/cm3

Mechanical properties	Test method	Value	Unit
Tensile modulus of elasticity	DIN EN ISO 527	7000	MPa

These technical data have been determined as average values by our suppliers from many individual measurements. In all measurements, the test specimens were tested in the dry state. We pass on the data with reservation. The table does not claim to be complete or correct. Material technology is subject to constant further development. No rights or guarantees can be derived from it. Own tests are necessary because the environmental and operating conditions (humidity, temperature, mechanical forces, radiation and chemicals, etc.) set limits in the application.
